Put Your Passion to Work

Hillcrest Transitional Housing is solving homelessness in Kansas City, but we need you! We have many ways that you can pour your time, talent, and treasure into the lives of Hillcrest residents and their journey toward self-sufficiency.

Be Our Friend

Mentors
Spend one hour a week providing one-on-one mentoring and budget counseling with our residents.

Skill Builders
Sign up to teach a life skills class at one of our campuses. You pick the topic—anything from how to make the best mac and cheese to how to refinance a car loan.

First Steps
Help our residents get off on the right foot by preparing their apartment for move-in, stocking the kitchen with groceries, providing their first meal, and organizing community drives for household items.

Party Crew
Celebrate our residents’ successes by hosting a graduation party, providing a graduation gift for the family, supplying needs for celebrating birthdays, and providing birthday gifts for our residents’ children.

For the Foodies
Help provide meals during life skills classes and organize food pantry drives throughout the community.

Treasure Hunters
Spend an hour or two a month helping to stock the shelves at one of our thrift stores.

Rangers
Dawn your tool belt and assist with maintenance needs across our campuses.

Show Your Support

Make a one year commitment to adopt an apartment and support Hillcrest. Responsibilities include:

Prepare a Place
Prepare a Hillcrest apartment for our newest resident to move into by making repairs and decorating as needed.

Provide Initial Food Needs
Stock the apartment with the first week of groceries, and provide the resident family’s first meal.

Celebrate Progress
Celebrate the resident family’s birthdays, and host the graduation party when they successfully complete the program.

Provide for the Community
Provide four meals for our Hillcrest resident community during the year.

Table Sponsor
Sponsor a table at our annual Gala, or recruit a table of friends to join you.

Sponsor Our Work

Make a connection with Hillcrest residents while financially supporting an apartment for one year.

Apartment Sponsor
When you commit to sponsor an apartment, your annual financial commitment will offset the cost of offering and maintaining a Hillcrest apartment, as well as the support, classes, and assistance our clients receive while in the program.

You have the opportunity to furnish the Hillcrest apartment, provide a welcome meal for the family, stock the apartment pantry, and meet and provide a support system for the family during their time at Hillcrest. In addition, you have the opportunity to provide a meal for a campus during their life skills classes. You will want to sponsor a table at our annual Gala event and celebrate being a part of solving homelessness in our community.

To learn more about these opportunities, call (816) 994-6934, e-mail tgrubb@hillcrestkc.org, or visit www.hillcrestkc.org/volunteer.
